

PRIVACY POLICY

Your privacy is very important to us. In this privacy policy you will find detailed information on how we handle your data. The administrator of your data is: Unicom International Sp. z o.o., Baziowa 28, 43-100 Tychy, Poland, info@unicom.com.pl.

1. Data collection and processing for the purpose of processing your order and creating your customer's account

We collect personal data only if you voluntarily provide it to us when placing an order or contacting us (e.g. by using the contact form or by e-mail). The mandatory fields are marked as such because the information they contain is necessary for us to process your order or to look into the matter you have contacted us about. We use the data you provide to process your order and to answer your questions. After the completion of your order, the processing of your data will be restricted; and, after the retention periods specified in the tax and accounting regulations have expired, the data will be deleted, unless you have given your express consent to the further use of your data or we reserve the right, under the applicable law, to further use the data, in which case we inform you in this statement.

2. Data transfer

To process your order, we will only transfer your data to the courier or transport company handling the delivery if this is necessary for the delivery of the goods you ordered.

Data transfer to courier and transport services

If you give us your consent to this during or after placing an order, we will provide your e-mail address and telephone number to the selected courier company so that it can contact you before delivering your order to notify you or to arrange for delivery.

The consent may be revoked at any time by sending a message to our contact address indicated in the point "Our contact details and your rights" or by sending a message directly to the courier or transport company to the contact address indicated below. Upon withdrawal of your consent, we will delete the data you have given us for this purpose unless you have expressly consented to the further use of your data for other purposes or unless we reserve the right to further use the data in cases permitted under law, in which case we will inform you in this declaration.

3. E-Mail Newsletter and postal advertising

Advertising sent via email after subscribing to the newsletter

If you subscribe to our newsletter, we will use the data necessary for this purpose or provided by you separately for the purpose of regularly sending you our newsletter by electronic means on the basis of your consent.

You can opt out of receiving the newsletter at any time by sending us a message with this information or by using a link included in the newsletter. After you have opted out, we will delete your email address unless you have expressly consented to the further use of your data for other purposes or unless we reserve the right to continue using your data when permitted under law, in which case we will inform you in this declaration.

The newsletter is sent within the scope of entrusting data processing on our behalf by the service provider, to whom we provide your e-mail address for this purpose.

This service provider is established in a country belonging to the European Union or to the European Economic Area.

Advertising sent by post and your right to object

In addition, we reserve the right to process your data - name and postal address - for our own advertising purposes in relation to our products, e.g. by sending you the latest offers and information about our products by post. This serves to safeguard our legitimate interest in contacting customers for advertising purposes.

4. Our contact details and your rights

You have the right to free information about your personal data we store and the right to rectify, restrict, delete or transfer such data.

If you have any questions regarding the collection, processing or use of your personal data, as well as the rectification, blocking or deletion of your data, or if you wish to revoke your consent or object to the use of certain data, please contact the data administrator: Unicom International Sp. z o.o., Baziowa 28, 43-100 Tychy, Poland, info@unicom.com.pl.

You also have the right to lodge a complaint with the competent supervisory authority.

Right to object

If, as part of our analysis and assessment of interests, we process your personal data as described in this privacy policy in order to safeguard our legitimate interests, you may object to the processing of your personal data for this purpose with effect for the future. If your data is processed for direct marketing, you can exercise your right to object at any time. If your data is processed for other purposes, you have the right to object only on the grounds relating to your particular situation.

Once you have exercised your right to object, we will not continue to process your personal data unless we have demonstrated that there are important legitimate grounds for doing so and that these override your interests and rights, or if the processing is intended to seek, enforce or defend your claims.
