## Customer Information

on the conformity with Polish and European Union regulations

Dear Customer,

UNICOM International

Baziowa 28, 43-100 Tychy, Poland

Tel.: +48 22 620 05 09 | Fax.: +48 22 890 72 68 | E-mail: [info@unicom.com.pl](mailto:info@unicom.com.pl) | [www.unicompackaging.eu](http://www.unicompackaging.eu)

confirms that the bottles series COMO 15 ml and 30 ml:

- Complies with the requirements of the following directive: European Parliament and Council Directive 94/62/EC of 20 December 1994 on packaging and packaging waste,
- As a food and cosmetics glass packaging made of glass with hydrolytic class HGB 3 meet the requirements following PN-81/O-79799 and PN-80/O-79704 (on hydrolytic resistance),
- As a food and cosmetics glass packaging meet the conditions on the content of Pb, Cd, Hg and CR<sup>6+</sup> specified in Regulation of the Minister of the Environment of 27 January 2015, Dz.U. 2015 poz. 137, *Journal of Laws from 2015, item 137* (on the presence of heavy metals in colorless glass).

It is the sole responsibility of the customer to ensure the packaging is compatible with the content that the customer intends to put in the finished packaging and products.

Yours faithfully.

Tomasz Krzyszowski  
Project & Quality Manager  
UNICOM INTERNATIONAL
