Lettre : AN/RRu/08L736
Dossier : 778

Feluy, October 01, 2008

Dear Madam,

Concern : POLYPROPYLENE PPH 9020
Absence of MELAMINE

This statement is in response to your request for information as to whether the above-mentioned product(s) ("The Product") contain(s) Melamine (CAS RN = 108-78-1).

We can hereby confirm that we do not use Melamine in the manufacturing of the above mentioned product.

Moreover, to the best of our knowledge, Melamine is unlikely to be generated during the manufacture and the processing of "The product".

However, since we do not perform specific tests to verify the potential presence of Melamine in each raw material we purchase nor in our products, we cannot guarantee that there is no trace amount, as impurity or otherwise, in "The Product".

Our certificate does not cover :

- any modification of The Product by any addition of any other product to it,
- any prejudicial modification of The Product resulting from a processing of The Product,
- an inadequate use and/or storage of The Product and of the finished articles.

The present certificate is valid for a period of one year starting from the date first above written. It can then be renewed upon request.

We are at your disposal for any further information you may need and remain,

Yours faithfully
