DECLARATION

According to the recipe in the production of **SABIC[®] PP 576P, PP PHC31 both in the colour 00900** the following substance(s) as such is / are not intentionally used or added:

- Substances such as mentioned in Annex II and III of the EU Regulation 1223/2009/EC with the exemption of a phthalate, originated from the used catalyst system.

Although the above-mentioned substance(s) as such is / are not intentionally added to this polymer grade, and the absence has not been checked by tests, this does not exclude the presence of negligibly slight traces due to, amongst others, impurities in the components supplied by external parties and used in the production of such components.

This information applies to the material as produced in our production facilities and does not cover any additive, pigment, etc., subsequently used or added by the buyer (or a third party).

This declaration replaces all previous ones relating to this subject matter and is, unless revoked in writing, valid for a period of 1 (one) year as of the date of issuance, after which it will automatically expire.
